

Idea #1: fantasy mask

Idea #2: puzzle pieces

Idea #3: Greek goddess

Thumbnail:

Risk taking: the hair was difficult because it kept breaking// the colors could've worked out not well

Experiment with texture: the hair had a lot of different lines and cut outs to make it look realistic

Additional planning: I had the help of Camille to have the idea of the leaves

Lightbulb moment: not to do curly hair but more wavy/ straight

Theme brainstorming:

Idea #1: fantasy

- Crown
- Really curly hair
- jewels
- Earrings
- Red lips to contrast
